6. PROCEDURE - GRIEVANCE REDRESSAL MECHANISM

Grievances, complaints, or queries shall be received through the dedicated toll-free number, email address, suggestion box/complaints box at the site, and or in-person complaint.

6.1 Channels for Receiving Grievance/Complain/Query/Suggestion

6.1.1 E-Mail Address

A stakeholder can raise a Grievance/Complaint/Query through a dedicated email address which is refexcares@refex.co.in and also, can be raised through email addresses provided under the whistle-blower policy and POSH policy.

6.1.2 WhatsApp Number

A dedicated WhatsApp Number has been created which will be used for raising Grievance/Complaint/Query. The information seeker or complainants can raise a response through a simple text message. The ownership of this WhatsApp number will be with the concerned SPOC who will receive a text message and will acknowledge the receipt to the complainant or inquirer.

6.1.3 Suggestion/Complaint Box

A suggestion box will be available at each operation site and site offices to drop written complaints/suggestions by anyone. It will be the responsibility of the site admin to collect and forward these suggestions/complaints/queries to the SPOC within 3 days of receiving the complaint. The box needs to be checked every week by the site in charge or site admin.

6.1.4 In person

A stakeholder can come and raise a verbal complaint or seek information in person by meeting the site in-charge or site admin. The site admin/site in charge is responsible for collecting all the details with clarity and forwarding this to the SPOC through internal company e-mail.

6.2 Role of Site Admin

The Site Admin is responsible to record the in-person grievances, complaints, or queries that come from the suggestion box/complaint box displayed at offices/project sites. He/she has to forward the received grievances, complaints, or queries within 2 days from the receiving date to the head office SPOC for information and further action.

6.3 Role of the SPOC

A nominated person will be the single point of contact (SPOC) at the head office, who will receive these complaints/queries from all means and sources. He/she will have the sole responsibility of;

1. Record keeping of all the queries and or complaints with the formats Grievance/ Complaint/ Query Register (Annexure 1), and Grievance Category Register (Annexure 2) within a week time with the following details;
 - Description of complaint or grievance or query received
 - Date received
 - Mode of inbound information (WhatsApp or email)
 - Identity of the complainant or the inquirer
 - Need for the response and or action
 - Details of action initiated and closeout along with the process owner
 - Grievance category
2. Once the SPOC receives a complaint or query, he/she will forward the received queries and complaints within 3 days from the receiving date to the respective **process owner** to **plan and initiate** action and closeouts with a cc to Group CHRO, Legal Head, Company Secretary and ESG Head.
3. The SPOC will follow up till the closeout action completes and details are updated in the Grievance/Complaint/Query Register (Annexure 1), and Grievance Category Register (Annexure 2).

6.4 Approval of Closeout Action Plan or Information to Share

1. The CHRO has to decide whether a closeout action is to be initiated or information to be shared in consultation with the Refex Group Executive Committee.
2. The CEO /MD & CHRO have the combined authority to approve the closeout action/resolution plan or the information to be shared against any query and the confidentiality of the matter.
3. Once it is jointly approved, the CHRO will advise the respective process owner to initiate resolution/closeout action against the complaint/grievance received or to share information against the query.

6.5 Role of the Process Owner

1. The process owner analyses the complaints and or queries and should inform the CHRO whether it needs a response and or an action or ignore being illegitimate or not falling under the Company scope in consultation with CHRO, Company Secretary and Legal Head.
2. The process owner is responsible for resolving the queries and responding to the complaints within 7 days from the date of intimation from the SPOC and the duration it may take to resolve the complaint.
3. The process owner is responsible for investigating the grievance and will assist in determining how the grievance is handled and what steps need to be taken to resolve the grievance.
4. Following the investigation, the process owner will use the findings to create an action plan outlining steps to be taken to resolve the grievance in coordination with CHRO, Company Secretary and Legal Head.
5. The process owner is responsible for forwarding the closeout action to CHRO for getting approval from the CEO / MD and CHRO.

The action for the complaints shall be closed within a period up to 90 days based on the nature of the complaints and their impact on the stakeholders.
